

REMARKS

In the Office Action, the Patent Office restricts the present application to one of the following inventions:

- I. Claims 1-8, drawn to a fuel cell mount apparatus wherein said fuel cell mount apparatus has a common part used in common for a fuel cell and an electronic apparatus;
- II. Claim 9-10, drawn to a fuel cell mount apparatus comprising an electronic apparatus having a plurality of drive sections powered by a fuel cell;
- III. Claim 11, drawn to a fuel cell mount apparatus comprising an electronic apparatus having a plurality of drive sections powered by a fuel cell having an electric power supply means; and
- IV. Claim 12, drawn to a fuel cell for supplying electric power to a drive section in an electric power supply system.

In response, Applicants elect, without traverse, Group I., Claims 1-8, drawn to a fuel cell mount apparatus wherein said fuel cell mount apparatus has a common part used in common for a fuel cell and an electronic apparatus.

Accordingly, Applicants respectfully request that an examination on the merits of this case be conducted in due course.

Applicants reserve the right to file a divisional application(s), if necessary, to any non-elected claim subject matter.

The Commissioner is hereby authorized to charge deposit account 02-1818 for any fees which are due and owing.

Respectfully submitted,

BELL, BOYD & LLOYD LLP
